For more information about available services or directions to any of these locations, please call the Suffolk County Office for the Aging at (631) 853-8200.

“Senior citizens are the backbone of our community, and for more than three decades, the Suffolk County Office for the Aging has assisted these very important residents by giving them full and trouble-free access to critical services,” D’Amaro said. “I urge every senior resident to take full advantage of this professional community outreach program so that they don’t miss out on the County’s network of services.”
